FESTIVAL

MARCH 19-21, 2027

— ABITA SPRINGS, LOUISIANA —

— A GATHERING BEYOND TIME —

A LETTER FROM OUR FOUNDER

Dear Friends,

Living in New Orleans, we all feel it—the mysticism, the pull, the quiet knowing that this city is more than a place. She is a living spirit. When she calls, we listen. When we listen, we are reminded why New Orleans has always been a portal for music, art, and collective connection. Moonshadow Festival is born from that calling.

Nestled between the revelry of Mardi Gras and the cultural crescendo of Jazz Fest, Moonshadow Festival has found its permanent home on the third weekend of March, every year. With Buku Festival no longer occupying this time slot, space has opened for something new to take root—and Moonshadow has stepped into that space with intention.

This annual gathering answers a deep and lingering desire for communion—an opportunity to reconnect after winter, to ground before the rush of festival season, and to experience Louisiana in a way that feels intimate, intentional, and alive.

Our flagship three-day Moonshadow Festival is a multi-day immersive experience built on the serene grounds of 88 acres of nature, in our close community outside of town. Here, art, music, wellness, and story converge to create a space that heals, inspires, and brings us back to what truly matters.

We invite you to join us on this ongoing journey as we continue defining what it means to festivate.

Your support of A Glantz Incorporated and Moonshadow Festival directly uplifts artists, strengthens community, and helps shape a future where creativity thrives and the arts remain a cornerstone of collective well-being.

Together, we are cultivating a world where art is not only experienced—but lived.

With gratitude,

Ashley Glantz
